- Access is limited to one device at a time per login.
- Access may take up to 72 hours depending on time and day of request.
- Bandwidth is limited and speeds are determined by number of users concurrently on.

Kulana Malama's ("KM") Wireless Guest Internet Access is provided **solely** for the use of official KM residents/vendors. Any other use is unauthorized.

The KM internet access points are placed in selected areas across its facility and allows for guest with mobile devices to connect to the Wi-Fi (wireless) Internet. By signing to request access, you are agreeing to abide by all laws, and all state and federal rules, and regulations applicable to Internet use.

The Guest connection is an open Wi-Fi (wireless) internet access and is not a secure form of connection. Wireless Internet access is by nature is a non-secured connection method. Any information being sent or received over the Guest wireless network could potentially be intercepted by another wireless user. Caution should be taken and you should not transmit your credit card information, passwords, and any other sensitive personal information while using a wireless "hot spot".

The Guest Wi-Fi connection is a free public internet service provided by KM. Access is completely at the discretion of KM, and may be blocked, suspended, or terminated at any time for any reason including, but not limited to violation of this agreement, actions that may lead to liability for KM, disruption of access to other users, networks or third-party, or violation of applicable laws or regulations.

KM has no control over the information available over the Internet and cannot be held responsible for content or accuracy. KM cannot be held responsible for any confidential or financial information patrons may send over the Wireless Internet. All communication over the KM Wi-Fi connection is subject to monitoring.

**Disclaimer**

KM is not responsible for the content of the Internet.

KM is not responsible for sensitive information communicated through this public wireless connection, such as credit card, personal data, or banking information, etc.

Please be sure that your device’s anti-virus and firewall software are up-to-date.

KM assumes no responsibility and shall not be liable for any loss of data, damage, or viruses/malware that may infect your device on account of your access to or use of the public wireless connection.

KM assumes no responsibility or liability for physical damage to, or theft of your device.

KM cannot guarantee that your hardware or software will work with the facility’s wireless connection.

Minors should only access the connection under parental or guardian oversight. Any restrictions, limitations, and monitoring of a minor’s access to the facility’s public wireless network is the sole responsibility of the parent or guardian.

User agrees to respect all copyright laws and licensing agreement pertaining to material obtained from the Internet and KM is not responsible for user’s failure to do so.

If you have problems accessing the Internet over the wireless connection, **our staff cannot assist** in making changes to the user’s network settings or perform any troubleshooting on your device. You should refer to the owners’ manual for your device or other support services, offered by your device manufacturer.

Please sign below to reflect your understanding of the above.
